Plus 1 point for showing up to race

Team Point System

To earn team points, a team must have two (2) riders in the top six (6). Team points will be awarded to the top finished for the team. If a team has more than two (2) riders in the top six (6), only the top finisher for the team will earn points. The benefit of having more than two (2) from a team finish in the top six (6) is that you are then taking away point opportunities for other teams. Time trials do not count in the team point competition. The points competition is tentatively scheduled to run all season long, BUT MAY CHANGE to match our current individual points system of three mini-series.

1st	6
2nd	5
3rd	4
4th	3
5th	2
6th	1

Special Points & Helper Points

Special points may be awarded as primes in any of the races. Sprint primes, KOM/QOM primes, etc. Two points are awarded to an active rider when they volunteer instead of race. DP= Helped but declined points.

Notes

Placings which contain a letter (eg. B1) indicate a rider who competed in another race/pack who voluntarily moved up or was moved up by the promoter. They are awarded half of the points they earned in that race.
