### Individual Point System

1st	6
2nd	5
3rd	4
4th	3
5th	2
6th	1

Plus 1 point for showing up to race

### Team Point System

To earn team points, a team must have two (2) riders in the top six (6). Team points will be awarded to the top finisher for the team. If a team has more than two (2) riders in the top six (6), only the top finisher for the team will earn points. The benefit of having more than two (2) from a team finish in the top six (6) is that you are then taking away point opportunities for other teams. Time trials do not count in the team
